

THE FAST FORWARD EXPERIENCE

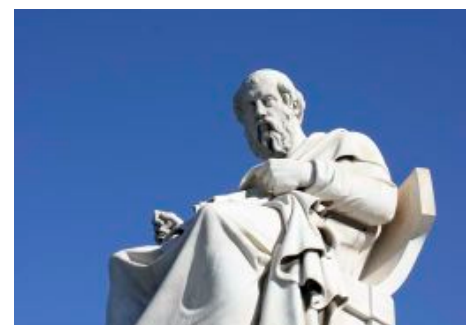

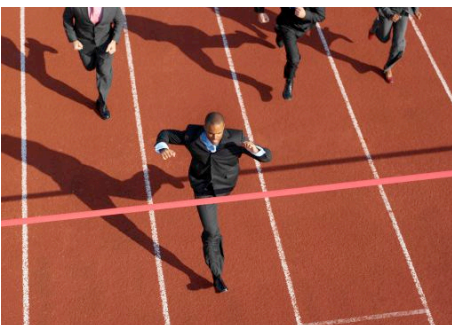

East Africa's Premier Leadership Development Programme

LEADERSHIP UNUSUAL

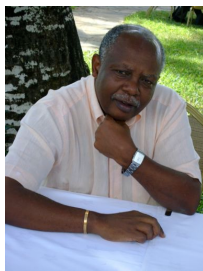

Fast Forward is fast becoming the region's most talked-about leadership development programme. Every year, FFWD attracts a small, select group of current and future leaders who participate in the program's innovative learning format, based on the age-old Socratic Dialogue.

Led by Sunny Bindra, FFWD stimulates deep learning about the nature and practice of leadership.

Participants join a small cadre of leaders who understand wisdom in leadership, and who care deeply about the uplift of Africa.
